

RE: MUC5AC (MRQ-19) Concentrate Availability

Valued Partner,

May 2nd, 2023

This notice is to inform you that due to a change in manufacturing process, we are unfortunately unable to continue to supply our MUC5AC (MRQ-19) antibody in concentrated format. **The product will remain available in prediluted format:**

Material Number	Description
292M-97	MUC5AC (MRQ-19) Mouse Monoclonal Antibody 1ml predilute IVD
292M-97-RUO	MUC5AC (MRQ-19) Mouse Monoclonal Antibody 1ml predilute RUO
292M-98	MUC5AC (MRQ-19) Mouse Monoclonal Antibody 7ml predilute IVD
292M-98-RUO	MUC5AC (MRQ-19) Mouse Monoclonal Antibody 7ml predilute RUO

Another option may be the MUC5AC (EP362) antibody, available as an Epitomics Concentrate:

Material Number	Description
AC-0329	MUC5AC (EP362) 1mL concentrate
AC-0329A	MUC5AC (EP362) 0.1mL concentrate

If you have any questions, please let us know.
